

— **Android Engineer (f/m)**

Berlin, Germany

About COUP:

COUP is bringing the fun of driving back into urban areas. As a wholly owned subsidiary of Robert Bosch GmbH, the eScooter sharing service started a new business area in the field of mobility services in August 2016. The electric scooters enable users to save time in city traffic and are a fantastic addition to existing mobility services provided in central areas. The eScooters are available in a number of major European cities, including Berlin, Paris and Madrid. They can be used around the clock and are easy to find, reserve and drive. They are a flexible and affordable alternative to public transport and cars.

What you will be working on:

- Our Android app, which is 100% in Kotlin
- Steady improvement and development of our app. We are using RxJava, Dagger, Retrofit.
- An app with very high test coverage – both unit tests and UI tests (with Mockito and Espresso)
- Full continuous integration and continuous delivery pipeline
- Our code base, which is modularized with clean separation of concerns.

We get truly excited about hiring you, if you:

- are passionate about engineering and a creative coder
- value pragmatism and deliver high quality code
- cannot imagine code that is untested
- like working in close collaboration with product management, design, business and backend engineers
- want to proactively be engaged in feature and roadmap discussions
- want to work on something cool (eScooters!), but use well-proven software and engineering approaches
- have several years of experience in Android engineering

- have worked on and published apps in the Google Play Store
- ideally have orchestrated user interactions with Bluetooth LE and API calls
- ideally have developed and published an SDK for public consumption
- ideally have developed Wear OS applications
- have a degree in engineering or a comparable field of studies

What you can expect when joining COUP:

- Joining our adventure in becoming the leading global platform in shared urban mobility.
- Working with a very strong team and the best eScooter in the market.
- Flat hierarchies, numerous social events and opportunity to work with highly skilled, cross-functional teams.
- A brand-new office in the center of Berlin (Friedrichstraße).

*If you are interested, please send your application to jobs@joincoup.com.
Feel free to get in touch in case you have questions regarding your application.
We are looking forward to hearing from you!*
